Rules for Responsible Internet Use

The school has installed computers and Internet access to help our learning. These rules will keep everyone safe and help us be fair to others.

- My teacher will access the system with the login and password, which he/she will keep secret;
- I will not access other people's files;
- I will only use the computers for school work and homework;
- I will not bring in floppy disks from outside school unless I have been given permission;
- I will ask permission from a member of staff before using the Internet;
- I will only e-mail people I know, or my teacher has approved;
- The messages I send will be polite and responsible;
- I will not give my home address or telephone number, or arrange to meet someone, unless my parent, carer or teacher has given permission;
- I will report any unpleasant material or messages sent to me. I understand my report would be confidential and would help protect other pupils and myself;
- I understand that the school may check my computer files and may monitor the Internet sites I visit.
